To his neighbor and his neighbor's neighbor."
Now, 'ys I'm O'wiver Brown's, on Gost Hill, Sadder night!

What you neighbors and friends say about Anderson's Shoes:

The best shoes I ever bought were from Anderson's. W. W. Yarbrough, West Port, Ky., July 18, 1900.

I do my trading with you because you always have what I want. J. M. Nelson, Church Hill, Ky., July 21, 1900.

I buy my clothing and shoes from you because I can get better value than any other firm—and your stock is large enough to give me a selection to suit my taste. W. H. Roberts, Louisville, Ky., July 17, 1900.

I have worn Anderson's heavy box toe everyday shoes for a good many years, and they always wear from 15 to 20 months. W. E. Clark, Louisville, Ky.

Anderson's Box toe heavy shoes at \$1.00 are the best I ever wore for everyday wear. J. W. Hubbard, Hopkinsville, Ky.

I am now wearing a pair of Anderson's shoes that have worn me for five years for Sunday service—Anderson's shoes are the best. Joe W. McLeod, Orlan, Ky., July 31, 1900.

The best shoes I ever bought came from Anderson's. They always give entire satisfaction. J. G. Wood, Fairview, Ky., Aug. 3, 1900.

I have worn Anderson's shoes for ten years. I never think of going anywhere else. W. E. Rogers, Hopkinsville, Ky., Aug. 4, 1900.

I have worn Anderson's \$3.00 Kensington shoes. They give me perfect satisfaction. J. R. Brown, Georgetown, Ky., Aug. 26, 1900.

Anderson's shoes have been put in the foremost line by me, and stand up every time. Geo. A. Hankley, Oursboro, Ky., Sept. 14, 1900.

I am now wearing a pair of Anderson's \$1.00 Denny shoes that have worn me for a year. Anderson's shoes always give me satisfaction. P. M. VanHousen, City, Sept. 20, 1900.

My children have been wearing "Anderson's Kilt-Mo-Hard" School shoes for three years. I find they wear long—much longer than the "cheap" shoes that I can get for the same price. I have never gotten a bad shoe. O. A. White, Fairview, Ky.

Anderson's Old Reliable Box toe heavy shoes are the best for everyday wear. J. D. Tritholt, Hickling Park, Ky., Oct. 4, 1900.

I have worn a pair of "Anderson's \$3.00 Warranted" shoes for Sunday wear for five years. Anderson's shoes always give me entire satisfaction. E. L. Woodhouse, Fairview, Ky., Oct. 4, 1900.

Clothes don't make the man, but they help him wonderfully. Let a stranger come into a town or community and we all know he is judged to a large extent by the clothes he wears.

It is a pleasure to sell a customer a "High Art" suit because we know he will present a good appearance and that it will retain its shape. Thirty-five years of use has placed "High Art" clothing at the very top notch of the Ready-to-Wear Clothing World. They cost a little more than the ordinary kind but they are worth more. However, in this sale, we are offering these suits at less than the prices of the ordinary.

10 Per Cent Off

Seems very little and yet when you take it off the price of an article as Ditcher's Pants it is like discounting gold.

Don't forget the guarantee on these pants—"10c for every button that comes off and \$1.00 if they rip."

We will have the Spring samples of the Ditcher's Pants in a few days and will make a limited number to order without any extra charge if the order is placed early.

Can per cent discount may sound like a very small cut and it is; but believe us or not, it is all and more than we make—clear of all expense.

The New Century calls for improvements on the old in everything. Realizing this we have prepared a Cut Price Sale that is just "a little" better than any previous sale we ever gave.

It has taken three solid weeks of hard work every day and many of the nights to prepare this Cut Sale and the prices and cuts and descriptions of each and every item can be relied on to the letter.

We don't spring a big slaughter sale on our customers every week in the year, but when we do advertise a sale, it may be counted on.

Special Extraordinary Cuts as Given Below

At the late auction sale of Francis Wilson, New York city, we were fortunate enough to buy through our N. Y. agent, 1000 yds of the celebrated Orlean's Cashmere at 50c on the dollar. We have had this goods made up into men's and boys' round and square neck suits, in regular and extra large and extra sizes also in boys sack suits and will sell at the following unheard of figures:

Men's round and square neck suits, size 34 to 42 5.00
Men's extra long round neck suits, size 34 to 42 5.50
Men's extra fine round neck suits, size 34 to 42 6.00
Boys' square neck suits, size 14 to 16 yrs at 4.50

These prices are positively not one cent above half of the real value of these goods and we kindly ask a careful examination of the little sample we send you. The suits are made up good and strong, stitched with silk, satin lined, leather lined, pants with French waist, catch on clasps and two hip pockets.

To make the sale more interesting we have gone through our entire stock and have selected about 100 suits, odds and ends and single suits, the original prices of which were \$7.00 to \$12.00 men's and boys' suits and frocks, all sizes and colors and kinds, and we have put them in this \$5.00 suit sale. We fit the Hard-to-Fit. We keep in stock suits to fit each of the different shaped men in the store. No other place in this part of the country provides for this. Large and small and of proportion. Our shoes have what a convenience suit is. Many of these suits have told us that we can fit them better than the average tailor and of course at less than half the cost. If you are hard to fit, suppose you try us.

We are determined to increase our business this, the first year of the century, beyond anything we have ever done. We are determined to do it by giving our customers better goods for the money, better service, more courteous treatment than we have ever given. Suppose you put us to the test.

OUR TERMS

One price to everybody. Every article is marked in plain figures.

No haggling on price. Your money back on any purchase you make unless otherwise stated at time of sale, provided you return the article in a reasonable length of time and in the same condition as taken out. Every article guaranteed as represented. Every pair of shoes we sell will be kept in repair free of charge as far as the workmanship goes, so long as it lasts if it fits you.

Alterations on ladies ready-made garments made free of charge unless it is a very cheap garment.

One of Christian county's best and most substantial citizens you can find one day last week in a remark to a gentleman that he had bought his first pair of shoes from us ten years ago and from that day to this he had never bought a single pair anywhere else for himself or for any member of his family. His reason was that he could always depend upon getting exactly what he called for at reasonable prices. We can give you the same if you would like to know it.

Do you know we would rather have an expression like that from such a man than to make a sale of a thousand dollars? Money isn't everything, even to a business man.

Business integrity is getting to be a scarce article and the more it becomes the more precious it is to some people.
